HONORING EXCELLENCE IN GRAPHIC COMMUNICATION

Celebrating print industry professionals in Oklahoma and Texas

August 6, 2020

2020 PIA MIDAMERICA GraphEx Awards

PIA MIDAMERICA hosts the annual Graphic Excellence Awards (GraphEx) competition to recognize our industry's outstanding technical achievements in innovation and print production. Hundreds of entries are submitted each year in an array of categories including brochures, magazines, calendars, campaigns, packaging and much more. Our independent judges select the extraordinary pieces in the competition to be recognized for Best of Show, Best of Division, Specialty, Best of Category awards and Awards of Recognition.

In addition, we want to recognize businesses and technical professionals who make up one of the industry's largest regional trade associations in the United States. These professionals and award-winning companies demonstrate outstanding technical capabilities in print and finishing techniques. Distinguished industry leaders are recognized with Print Champion, Creative Print Champion and Executive of the Year honors. Join me in congratulating all the winners on their outstanding contributions that have made a positive impact on our region.

Best,

Teresa G. Campbell

Teresa Campbell, PIA MidAmerica President

2020 PROFESSIONALS OF THE YEAR

EXECUTIVE OF THE YEAR **Robert Reid** Vox Printing

Robert is Vice President of Operations for Vox Printing and proud to be a part of a company that has developed a culture to allow them to win, for the last 13 years, PIA's Best Workplace Award and Oklahoma's Best Places to Work. He earned a management and marketing degree from Oklahoma State University in 3 years, proving Robert does not like inefficiencies. After college Robert joined Vox Printing full time in 1992 and has led Vox's 60 employees on their continuous improvement journey and implementation of Lean tools. His dissatisfaction with process inefficiencies is both legendary and at times exhausting to those who know him. When he's not serving on vo-tech boards to improve Graphic Arts education and speaking at Continuous Improvement conferences, he's dedicated to church service, helping his son's Boy Scout Troop and his family.

EHS PROFESSIONAL OF THE YEAR **Chad Vadnais** Orora Visual

Chad is Director of Environmental, Health & Safety and Facilities Engineering for Orora Visual, where he's worked the past three years. He has more than 25 years of experience in EHS in industries ranging from electronics and tile manufacturing to printing. Chad maintains multiple safety certifications and takes pride in being an outside-the-box thinker, coming up with new or off-the-wall ideas on how to improve upon operations. He is an avid outdoorsman and enjoys being around others.

PRINT CHAMPION **Cindy Petitt** Clampitt Paper

Cindy has been in Dallas for 29 years. She moved from Georgia-Pacific in Atlanta to be a specification rep with Butler Paper. After a few years, she tried a new path and sold print for 5 years, but her passion was paper after gaining so much respect for the printing side. She spent 7 years with Olmsted-Kirk, and the last 12 years have been with Clampitt Paper in business development and sales. She has volunteered with the Dallas Society of Visual Communications (DSVC) for 19 years, and believes in the power of print and paper, as well as having fun along the way.

CREATIVE PRINT CHAMPION **Tom Nynas** Perennials and Sutherland

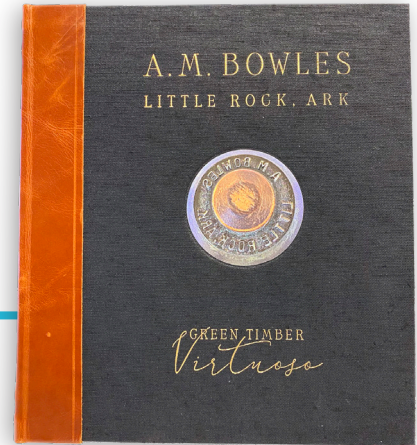

Originally from frigid, wonderfully cold Minnesota, Tom Nynas moved to Dallas after graduating from Atlanta's Creative Circus and the University of Minnesota. Time spent within large and small advertising agencies prepared him for his current gig as the creative director of Perennials and Sutherland, LLC. He has helped build distinguished and noticeable voices for the company's brands, which specialize in luxury outdoor furniture and performance textiles. He's been honored to have his work featured in nearly every national and international design and advertising competition. Outside of the office, he's a husband and the father of two sons.
