HONORING EXCELLENCE IN GRAPHIC COMMUNICATION

CELEBRATING, PRINT, PACKAGING, LABEL AND SIGN PROFESSIONALS

2022 PIA MidAmerica GraphEx Awards

PIA MidAmerica hosts the annual Graphic Excellence Awards (GraphEx) competition to recognize our industry's outstanding technical achievements in innovation and print production. Hundreds of entries are submitted each year in an array of categories including brochures, magazines, calendars, campaigns, packaging and much more. Our independent judges select the extraordinary pieces in the competition to be recognized for Best of Show, Best of Division, Specialty, Best of Category awards and Awards of Recognition.

In addition, we want to recognize businesses and technical professionals who make up one of the industry's largest regional trade associations in the United States. These professionals and award-winning companies demonstrate outstanding technical capabilities in print and finishing techniques. Distinguished industry leaders are recognized with Print Champion, Creative Print Champion and Executive of the Year honors. Join me in congratulating all the winners on their outstanding contributions that have made a positive impact on our region.

Best,

Teresa J. Campbell
